MONDAY EVENING, OCTOBER 28. THE BANKRUPT LAW. All who contemplate availing themselves of the benefits of the Bankrupt Law, must do so previous to March 2, 1868, as the fifty per cent dause commences

after on that day. All claims against a bankrupt who applies after next March, will, as a matter of course, be proven. Section 33 of the Law, in relation to the fifty per cent clause is as follows: "And in all proceedings in bankruptcy, commenced after one year from the time this act shall go into operation, no discharge shall be granted to a debtor whose assets do not pay fifty per cent of the claims against his estate, unless the assent, in writing, of a majority in number and value of his creditors, who have proved their claims, is filed in this case, at or before the time of application for

CLARK, THE CONVICT. - John Carson, alias Clark, who was arrested and committed to jail in Baltimore, as an escaped convict from this by his weight. city, and had a hearing there some days since, on a petition of habeas corpus for discharge, and remanded, was again before the Court on Saturday last, when Deputy Sheriff of Rock this city, produced a requisition for the prisoner from the Governor of Virginia, and Clark was delivered into his custody. Clark requested that manacles might not be placed upon his wrists, but the Deputy Sheriff replied that he had escaped from him twice already, and that he would not trust him again, so he was brought here in irons, and is now securely confined in his old quarters. THE AQUEDUCT .- The Georgetown correspondent of the National Republican of this morning says: "A sufficiency of lumber having arrived to commence operations looking to to the construction of the aqueduct, we learn that the contractor expects to be able to complete one of the spans during the present week. Iron girders are already at hand, and it is the intention of the lessees to have the work pushed to rapid completion. We have not heard, as yet, whether any informal injunction has been laid against the rebuilding of the aqueduct, but it is said that the riparian owners will do so as soon as the work is fairly under

YESTERDAY .- Yesterday was a beautiful and unusually quiet day. Large congregations were present in nearly all the churches. The Rev. W. F. Gardner officiated at Christ Church in the morning, and the Rev. Mr. Wilde in the Methodist Episcopal Church, morning and night, the pulpits of the other churches being occupied by the resident pastors. At the Methodist Church, South, the choir was assisted by the new organ just purchased, to add its harmony to the services. The Friends' quarterly meeting in Baltimore drew away from the usual fast day meeting at that church some of the most prominent members.

CONFISCATED PROPERTY. -Mr. R. T. Merrick is about bringing suits before the Court in Washington, for the restoration of the property sold under the Confiscation act, in the name of Mayor Cornelius Boyle and Col. H. B. Tyler, and in case of an adverse decision the case will be taken to the Supreme Court of the United States. Mr. Merrick brought a similar suit in reference to the property of Daniel Ratcliffe, which was argued some months since, and compromised. Gen. Caleb Cushing, is, also, the attorney for Dr. Garnett and other parties. A MERT MUNT

CURIOUS. -Mr. McKenzie, at the late election, received seven colored votes in the First Ward in this city. It is said that since the election near one hundred colored people are strenuously contending that they voted for him!! The voting list is all right, and the votes were all accurately listed and counted. There is no mistake or unfairness in the count. The curious part of the business, is, how soon these people forget as for whom they did in reality vote! Or is the present claim an after consideration?

GRAND DIVISION SONS OF TEMPERANCE. -The next meeting of the Grand Livision of the Sons of Temperance will be held in this city on the fourth Wednesday in April, 1868, and the annual meeting in Petersburg on the fourth Wednesday in October, 1868. The reports of the Grand Worthy Patriarch and Grand Scribe are exceedingly encouraging to the friends of the order, showing an increase of ten-fold in the number of Divisions since the re-organization of the Grand Division in 1865.

LUMBER THIEF SHOT AT. -On Saturday night last, Captain John L. Smith, the efficient Superintendent of the Night Watch, observed a man, supposed to be colored, bearing off from the lumber yard of Messrs. Smoot & Perry, lower end of Cameron street, a heavy turn of plank. As soon as the thief discovered that he was followed he dropped his plunder, and succeeded in effecting a safe retreat, though the Captain sent three pistol balls after him.

FUNERAL OF FATHER ANDREWS .- The funeral of this esteemed prelate of the Catholic Church, which took place Saturday, from St. Patrick's church, was one of the largest recent ly witnessed in our city, and the ceremonies at the cathedral were most imposing and deeply interesting. The entire clergy of the Catholic denomination of the city assisted the Bishop in the celebration of High Mass for the repose of the soul of this youthful but much beloved Father in the church. All of the Catholic societies and a large representation of the membership of the church participated, and the cortege was truly impresive .- Rich. Enquirer. HUNNER COLONIES

FELL IN AN ICE HOUSE. - Last Saturday morning, before day, a young man named Deeders Helmouth, in the employment of Mr. William Holland, butcher, while preparing for market, accidentally, in the dark, fell down the ice house of the latter, on Alfred street, and sustained painful, but, it is hoped, not serious injuries. man, was furnished with lodgings. Young gentlemen should be particular in requesting the ladies to whom they send their cards, not to drop them in the Watch House, where several have lately been found.

WASHINGTON ITEMS .-- Mr. S. T. Suit, of Maryland, has brought with him from Europe a large collection of curiosities, animals, &c.; having in view the establishment of a zoological garden, or garden of acclimation, in Wasington, and by a letter received by Mr. Suit from a prominent citizen of Paris, it appears that Mr. S. is likely to receive very important aid from the other side of the water in carrying out an object calculated to add to the attrac-

tiveness of the National Metropolis. To morrow (Tuesday, the 29th,) is the day fixed upon for the prize fight to take place between Tommy Kelly and Billy Parkinson, (both of New York,) the two feather-weights, who fight for \$600 a side, at 112 pounds. IN KING GEORGE COUNTY, VA. By virtue of a decree of the Circuit Court of Eing George county, pronounced in the suit of Quisenberry's Administratrix vs. Quisenberry and others, the subscribers, therein appointed Special Commissioners for that purpose, will expose to public sale, on THURSDAY, the 5th day of December, 1867, (that being Court day) at King George C. H, the tract of land, in the december and proceedings of the second process. in the decree and proceedings mentioned, called THE COTTAGE"

"The Cottage" contains 724 acres. It is beautifully located in King George county, on Machodoc Creek, near its entrance into the Potomac river, and is bounded on two sides by that creek and Williams' creek. The landing on the farm is accessible to steamers and sail vessels of a large class, offering the greatest facilities for delivering grain or wood. The improvements consist of a small but comfortable Frame Dwelling House, good Barns, Stables, Corn Houses, Servant's Houses, Ice House, pump, &c. The farm is in fine condition, the land level, well adapted to the production of corn, wheat, grass, &c., and is justly considered the most desirable real estate in that portion of the county. It is well enclosed with good and substantial fencing, and the several fields also separated by good fences. There is a plenty of water, and timber in abundance for the use of the plantation. It is, altogether, a most desirable tract of land, for all agricultural purposes.

The TERMS OF THE SALE, as prescribed by the decree, are: One-third of the purchase money in cash; one-third in 12 months, and the remaining third in 24 months from the day of sale, carrying interest from the day of sale, and the deferred payments to be secured, after the confirmation of the sale, by a lien on the land.
Unless otherwise notified of a change, the sale will positively be made at the time and place specified. Information in regard to the character of this estate, may be obtained by letter,
